## PROFILE SUMMARY

Creative and passionate graphic designer with a strong eye for detail and aesthetics. Skilled in Adobe Photoshop, Illustrator, and InDesign to create attractive and effective designs. Experienced in making logos, posters, and digital artworks for various projects. Dedicated to turning ideas into visual designs that communicate clearly and beautifully.

## EDUCATION

2077-2078

SHREE SARASWATI SECONDARY SCHOOL

- Secondary Education Examination(SEE)
- GPA: 3.68/4.0

2079-2080

SHREE SARASWATI SECONDARY SCHOOL

- Diploma in Computer Engineering(IT+2)
- GPA: 3.40 / 4.0

## TRAINING

- After completing SEE, I underwent 3 months of OJT (On-the-Job Training). During This time, I learned about C programming, Web Development and Computer Networking. I also created a school website as a part of the training.
- After completing Grade 11, I underwent another 3 months of OJT training. I learned about Java, C++, and Android Studio. During this training. I also created an Android application using Java and Android Studio.
- After completing Grade 12 (IT+1), I completed 7 months of OJT training. I learned about C# and Visual Studio. As part of this training. I created a desktop application using C# programming and developed a personal portfolio website.
- I also completed a Graphic Designing course, where I learned to use Adobe Photoshop, Adobe Illustrator, and Adobe InDesign. During the course, I created various projects including posters, detailed designs, Logo Design and social media graphics, which helped me enhance my visual communication skills.
